Our new contact information is:

We are very excited about the move and all the opportunities this new facility will bring with the added space, technology, layout, etc.

For Bare Feet has donated the 66 acres and roughly remaining 58,000 square feet of buildings that we have been located in to the County and it is being named the "Timothy Magnuson Memorial Community Center", which will be used for indoor basketball courts, Boy Scouts of America, Church services, etc. A place for people in the County to use and utilize for the well-being of the community.

It has been an emotional week and few months but a lot of good is coming out of all the events. We will make new memories and bring the old ones with us in our hearts.

Thank you so much to everyone for all the support and well wishes.

We would also like to take this opportunity to wish you and your family a wonderful and happy Holiday Season.
